MEMORANDUM FOR: Director of Training and Education

ATTENTION: Deputy Director of Training and Education

FROM:

Director of Scientific and Weapons Research

SUBJECT: Training on the Cray Computer

In order to facilitate conversion to the new Cray computer that the Agency will be getting in 1987, the Office of Scientific and Weapons Research is planning a course covering the architecture, job control language and FORTRAN language of the Cray. The course will be conducted by Cray Research at its facility in Beltsville, Maryland from April 1 to April 4, 1986. Up to 15 people will be in training. The cost of the course is \$6,000 with the funds coming from the IQ training budget. The point of contact for the course is
